

## **New Managing Director of BRUGG Pipe Systems, Kleindöttingen**

The Board of Directors has appointed Michael Sarbach to become Managing Director of BRUGG Pipe Systems, the systems provider for hot, cold and industrial piping, based in 5314 Kleindöttingen, with effect from 1 December 2011. We are delighted to be able to officially announce the appointment of Michael Sarbach as the new Managing Director of BRUGG Pipe Systems. Mr. Sarbach is succeeding Urs Bollhalder, who was promoted to Division Manager, Pipe Systems on 18 November 2010.

Michael Sarbach holds a degree in production engineering from the Swiss Federal Institute of Technology in Zurich and is also a Certified Public Accountant. He has many years of professional experience in the industrial and energy sector and worked previously as an auditor and consultant. Before joining BRUGG Pipe Systems, Michael Sarbach headed the municipal industrial utility "Energie Service Biel". We would ask you to place your total confidence in him and would like to take this opportunity to express our appreciation for the pleasant and constructive working relationship we enjoy with you.
